

## BLOEMFONTEIN 1976

The 1976 show held from 29 to 31 March was restrained as it was the first time that Bobby Torr of the Torbry Stud was not able to show since his first show in 1962, because of ill-health. Bobby died in June that year followed 9 months later by his precious stallion, Twyford Jock, with exactly the same cause – a heart attack.

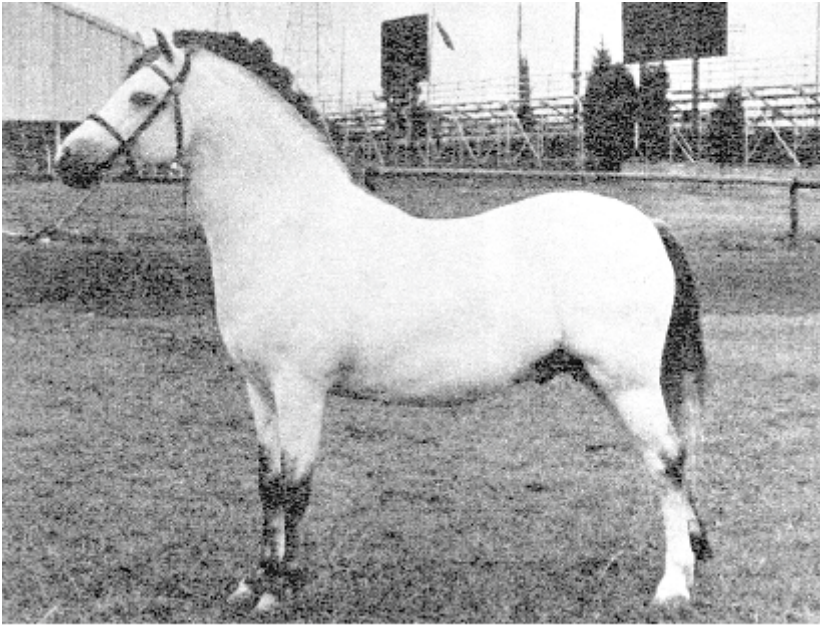

There does not appear to be any official record of the results of the Welsh National Championships held in Bloemfontein in 1976, judged by Mr Dirk Human of Bredasdorp.

During a visit to the Library section of the Landbouweekblad offices on the Cape Town Foreshore some years ago, we came across some photographs with legends of that show in a file but could not find an issue of the Weekblad where these were published. In addition, these results were not recorded in any Newsletter of the Welsh Pony Society.

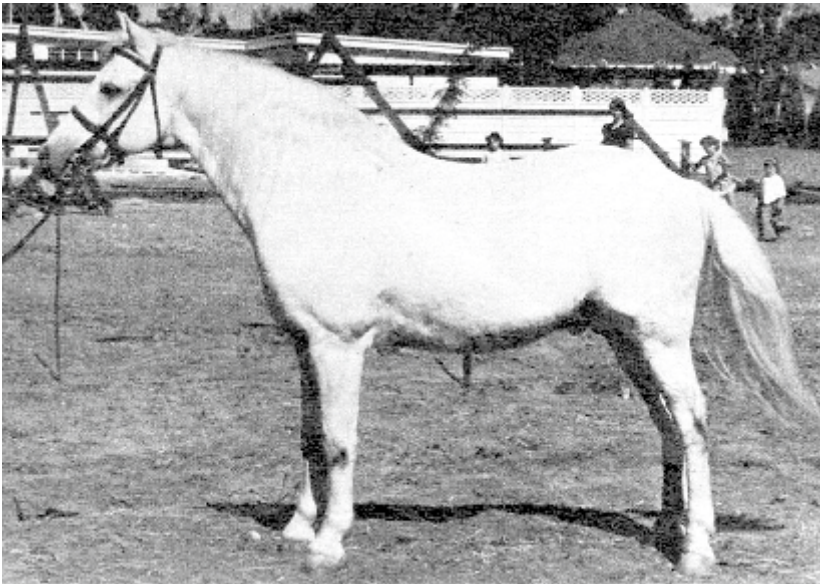

It was fortunate that Myburgh Streicher marked his catalogue with virtually all the results, hence the achievements of the ponies at this show are recorded hereunder:-

It is interesting to note that the Bukkenburg Stud received 15 of the 23 floating trophies at this show, some achievement. Now it can be realised why he marked the catalogue so avidly!

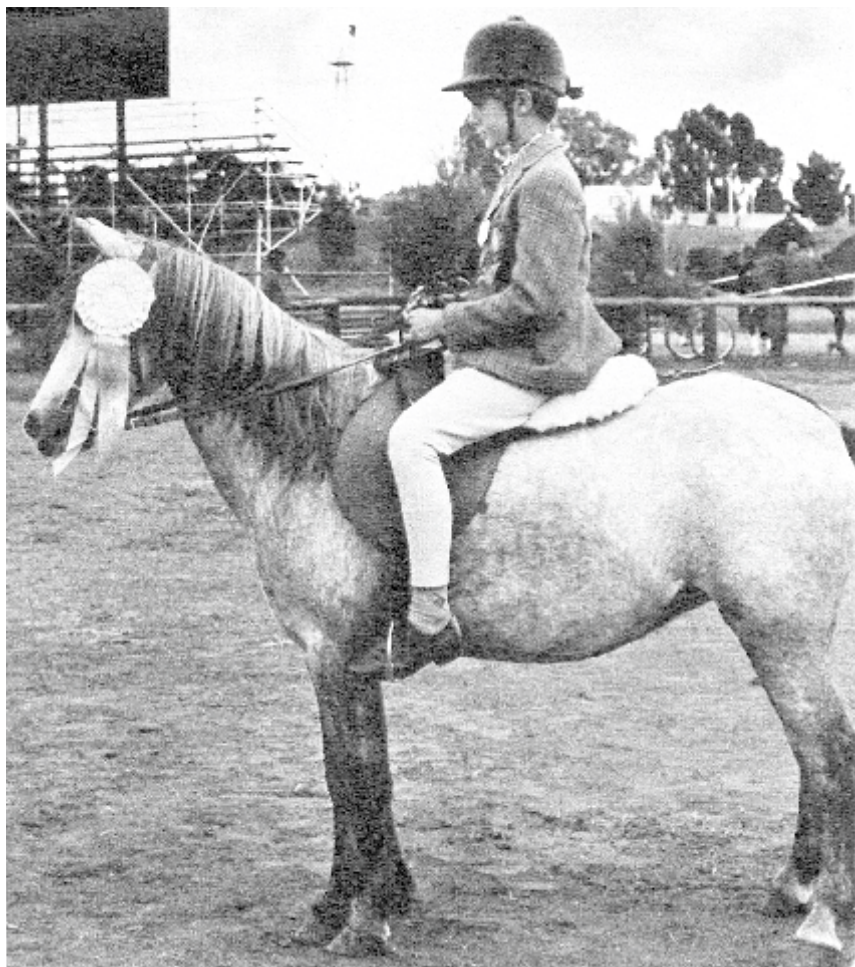

*Section A Reserve Junior Stallion: Spasido Si-Si Signor by Torbry Satellite out of Revel Siesta with Jannie du Plessis*

Although not mentioned in the catalogue, Ida Illingworth, in an article in the 1977 WPCS UK Journal, mentions that there were awards for an overall Supreme

Champion (and Reserve Supreme Champion) of all sections at the 1976 show. The **Overall Supreme Champion** (judged on all disciplines) was Foresyte Valiant Prince Llewellyn, a Section B owned by Dr Jan H Hofmeyr, whilst the Reserve was Aberdare Prydus Satellite, a Section A, also owned by Dr Hofmeyr, quite an achievement for South African bred ponies in competition with so many imported ponies.
