

BLOEMFONTEIN 1981

We were delighted to have Miss Rosie Russell-Allen for a short time in South Africa. She judged the National Championship and charmed us with her general love and interest in all types of horseflesh. Her great interest in the hackney horses was a joy for their owners who exhibit alternate classes with us for the three days. Huge smiles appeared under the wide brimmed bush-hats when the big high steppers were appreciated by the tiny English lady, and Rosie came home an Honorary member of the South African Hackney Horse Brigade as well as the Welsh Pony and Cob scene. Rosie had some big classes to face and the toughest was the Senior Section A harness class where all the top contenders were out in force, Monnow Paper Boy being the eventual winner.

Supreme Mountain Pony was Coed Coch Nerog who has matured superbly on his mountain home at Albertinia, a long way from Abergele, but evidently not so terribly different in geography and climate. Some beautiful ponies come from that part of the Cape with bone, substance and quality – a tribute to their parent stock and their breeders.

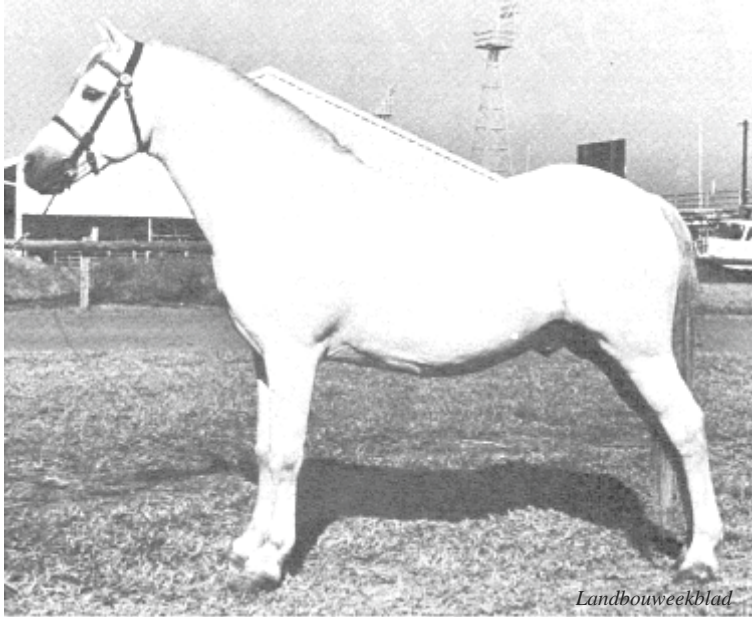

Section B championship went to Moddervlei Honey Suckle, also bred in the Cape. She is out of Badgemore Honey Bee and by Firby Cronos, a mating which is exceedingly successful and also produced the best Section B foal (*Glanwyn Harmony*).
