

beloved ponies. He will always be remembered for his mischievous smile and laugh but also for the sternness he had when it came to his beliefs and integrity. He led by example demonstrating great leadership skills through compassion and equality. The lack of his presence in people's lives and homes is felt every day, he had a gift of making his presence known and was loved by so many.

A GENTLE GIANT. A MAN I AM PROUD TO HAVE KNOWN AND WHOM I'LL ALWAYS LOOK UP TO. May he be granted the Highest Abode. Condolence to his family, friends and fellow sportsmen, may we remember and honour Boeta Maila by carrying forth his legacy and leading by the example set by him.

*When the auctioneer knocked the pony down to one of the long-haired brigade, he spontaneously said 'thank you, Madam'. Whereupon an old shepherd at the ringside turned to his neighbour and said, "These young'uns are like sheep nowadays – you can't tell the difference unless you turn 'em up"*
