

## ZEWITCO STUÐ

Towards the end of 2001 Koos Botha of the Koosbad Stud of De Eike, Rawsonville, in the Western Cape, put Bukkenburg Puzzle (Coed Coch Neroq x Twyford Peach) to Bukkenburg Heiress (Lottesmore Superstar x Pendock Harebell). However, Koos died in 2002 and Piet Botha acquired the in-foal mare and registered the prefix Zewitco.

On 14 September, 2002, Heiress foaled the filly Zewitco Humbro, the only Welsh pony to carry the Zewitco prefix.

In 2008, Catherine Anderson of the Ashbourne Stud (*J2012 p125*) bought Humber, put Llandilo Viking (Uyzel Smart x Bukkenburg Valerie) to her and in December 2012, she foaled the colt, Ashbourne Hunter, as shown below.

Humber was bought by Stanford Gertse in 2016 while Hunter went to Aziz Jacobs in 2019
